February Half Term Online Safety Tips

Dear parents, as you prepare for the half term holidays, we are mindful that your children may be increasing their frequency and length of time spent online during the break. For a list of fun, offline activities to do with your child, please see your year group's wellbeing timetable. If you and your children do choose to remain online next week, please follow these tips and download the National Online Safety app to support you all in staying safe in the online world.

Follow these top tips as a family to use your devices safely
