

STAR PRIMARY SCHOOL NEWS LETTER

June 2018

Head Teacher's Message

Dear Parents/Carers,

I have to start this newsletter by saying how absolutely proud I was of the Aladdin Production staged by our pupils. I was blown away yet again by their determination, focus and dedication. The acting was of the highest calibre and the feedback from the audience was overwhelming. I cannot begin to thank Ms Owen and her team for their hard work and passion in getting this production together. We also want to extend a massive thank you to Eastlea for letting us use their great facilities. This really made the event extra special. We are very much looking forward to future productions from Ms Owen and her team. Well done to all our budding actors and actresses.

You might have noticed that the very final stage of our playground is now complete. The covered area near the front reception has a bright and colourful new canopy in keeping with the rest of the playground. Thank you for your co-operation during these works. We had an official opening event this morning and were very pleased that the Newham Mayor came along to officially open the playground and tour the facilities with some of our pupils. Thank you to all those parents who came along to share the opening with us. It was also wonderful to see some of our past Eastlea pupils joining us.

As we currently enjoying such lovely weather, please may I remind parents to make sure their children have sun cream applied before they come to school in the morning.

Ms Von (Head Teacher)

French Day

We had a lovely Languages Day last week as we celebrated French culture and language. Thank you so much to those parents who gave up their time to do some French activities with the children. It was wonderful to watch some of the Year 4 classes learning to do the Can Can. A French story teller came to do a treasure hunt in the EYFS garden and we had some visiting teachers from Eastlea doing teaching French lessons. We also all enjoyed our French flavoured lunch menu that day.

Sports Days

This year we are very excited to be able to host our KS2 Sports Day at the training track of the Olympic Village. All KS2 children will travel to the venue via DLR and return to school by the end of the day. **Unfortunately, this venue cannot accommodate any spectators so we are unable to invite parents or cares this year.** Hopefully we will be back at Newham Leisure Centre next year. Please ensure that your child is wearing their PE on Thursday 29th June. KS 1 and EYFS sports days will be held at the school and parents are welcome to attend these days.
