Reception and KS1 Clubs at Star Primary

Dear Parent/ Carer,

This year our clubs at Star Primary will operate in a slightly different way. We have chosen to make these changes to provide a more diverse range of clubs for more of our children. When you look at the list of clubs below each club will indicate the time of the club and if it is a club for the whole year or a term (approx. 10 weeks). It will also state which year groups can sign up for each club. A few of our clubs are being run by specialist coaches from outside agencies and these clubs will have a charge to pay.

This letter is just to inform you about the clubs we will have on offer either for the whole year or just this autumn term. You can only sign your child up for these clubs via **Parentmail**. You will be sent a **Parentmail** which will include all the clubs your child can sign up for depending on their year group. These clubs will be available for you to sign up for from **7pm on Friday 12th October**. Club sign up will be on a first come first serve basis. Initially you will only be able to sign up for a maximum of 2 clubs per child. If some clubs still have spaces after the indicial sign up we will offer these clubs again on Monday 15th October where you may sign your child up for more clubs. Just before the end of each term a letter will be sent out informing you of any new clubs for the spring and summer terms.
