Star Primary received £8 900 PE & Sports Grant. This report explains how the funding was used. The school contributes the additional £3115

Star is committed to the highest quality of provision for sports across the school. We receive £8 900 per year Sports Premium funding and £2800 is spent on before and after school sports provision hosting a wide variety of sporting activities including Ballet, Gymnastics, Fencing and Basketball. We provide 29 clubs outside of school hours, 60% of which promote physical activity.

Activity	Explanation	Impact
<p>Cumberland Sports Partnership</p> <p>Venue Hire (Aquatic Centre) at the QE Olympic Park</p> <p>Enhanced support for Fit Friday initiative through Funtrition coaches - Premier Education</p>	<ul style="list-style-type: none"> • We work in close partnership with Cumberland Secondary School. Cumberland is a Specialist Sports College and we pay £2,645 each year to enhance our PE and Sports curriculum to offer specialist teaching from KS3 teachers. This included weekly targeted clubs for girls and pupils with special educational needs. This year we have increased the amount of competitions we are entering, particularly for disabled pupils. • We identify specific groups of children who would benefit from additional swimming lessons (SEND Group/Mobility Issues and Gifted and Talented Pupils) <ul style="list-style-type: none"> ○ Sen Group Swimming - £ 3 800 ○ SEN Gym group – £1170 • Fit Friday is facilitated 90% by in house staff but one year group has access to this Holistic programme combining health awareness with physical activity. This is a 6/7 week programme which rotates each half term from Y1 – Y6 £1600 	<ul style="list-style-type: none"> • Improved physical fitness. • Children are involved in competitive sports. • Opportunities to try sports that are not offered at school. • Least active pupils are targeted through extended school sports • Pupils more sociable and better equipped to work in a team. • Staff highly trained to teach skills. More pupils able to access swimming lessons after school with an additional qualified member of staff. • For the academic year 2018 -19, 82% of yr. 6 pupils were assessed to be meeting the national curriculum swimming requirements. • Pupils are aware of the impact that food and exercise has on their overall health and can make more informed decisions about their wellbeing.
