# Downloading Google Apps

You will need to go on to the App Store on your tablet/phone and download the following apps. These are free apps so no payment is required.

Google Drive

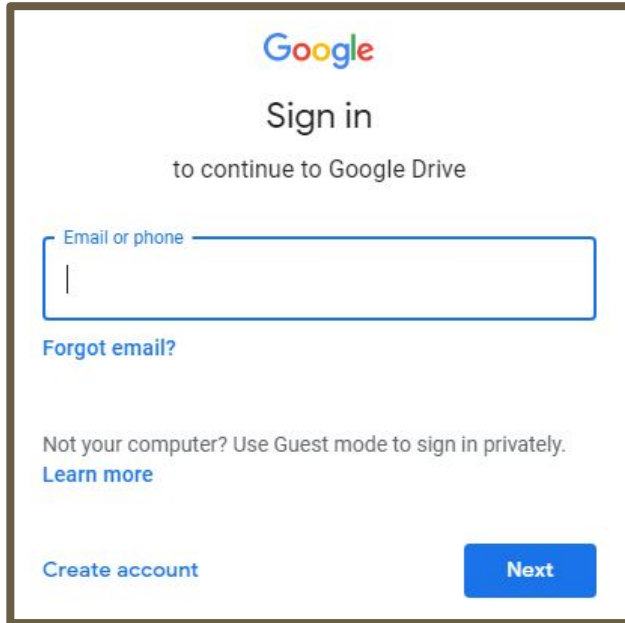

Google Slides

Google Docs

# Login on to Google Drive

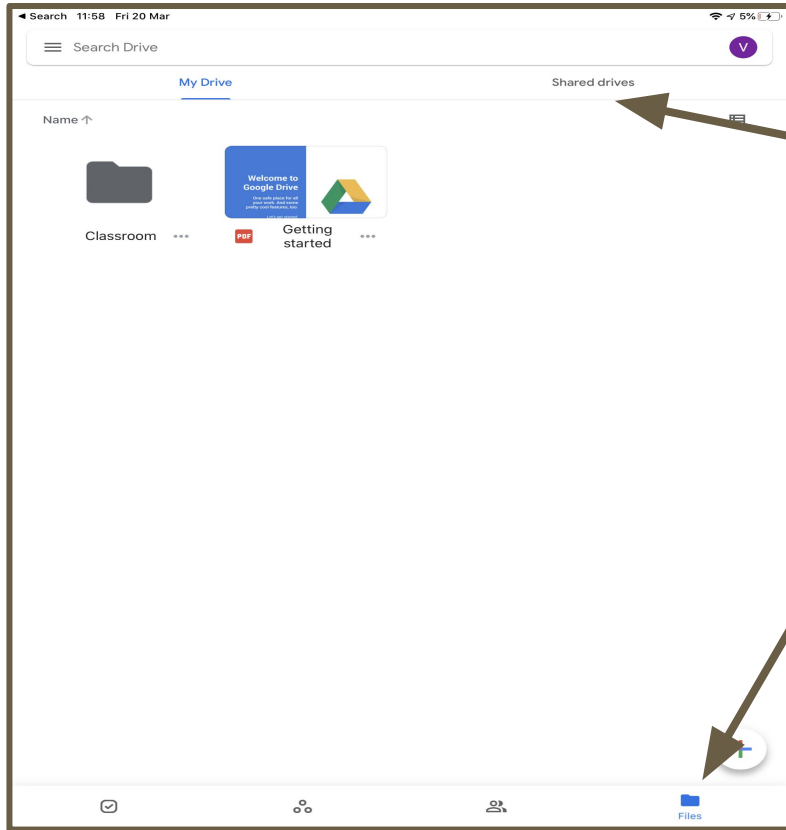

The screenshot shows the Google Drive sign-in interface. At the top is the Google logo. Below it, the text reads "Sign in to continue to Google Drive". There is a text input field labeled "Email or phone" with a vertical cursor inside. Below the input field is a link for "Forgot email?". Further down, there is a note: "Not your computer? Use Guest mode to sign in privately." with a "Learn more" link. At the bottom left is a "Create account" link, and at the bottom right is a blue "Next" button.

When you open up the Google Drive app, you will then be prompted to enter your username and password.

Remember our usernames end in [@star.newham.sch.uk](mailto:@star.newham.sch.uk)

Your Google Drive Login details are in your reading records.

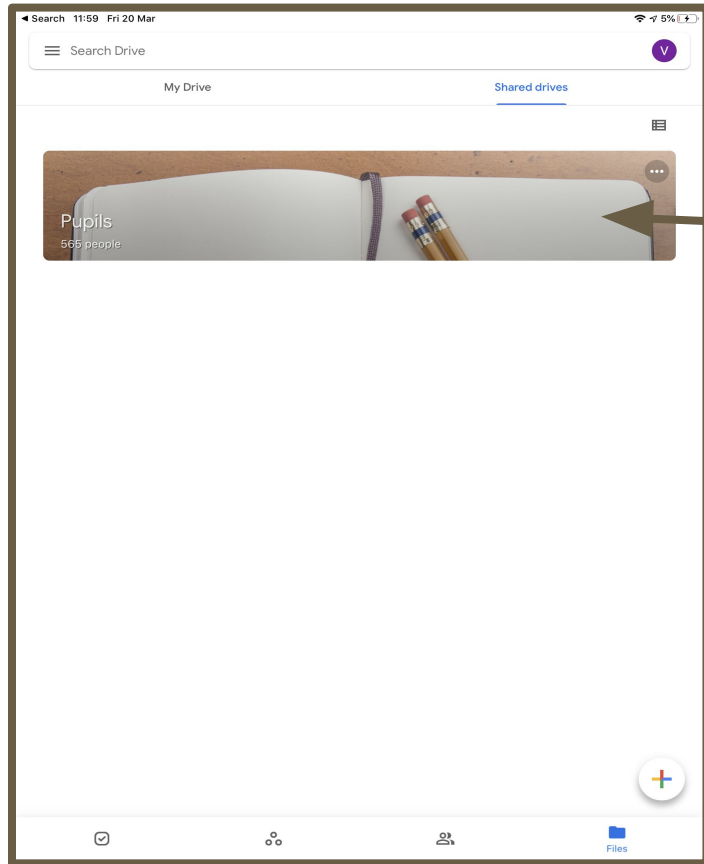

# Accessing Pupil Drive on Tablet/Phone

Go on to 'Shared Drive'.

Go on to the Pupils Drive which is located in the Shared Drive.

# Accessing Pupil Drive on Tablet/Phone

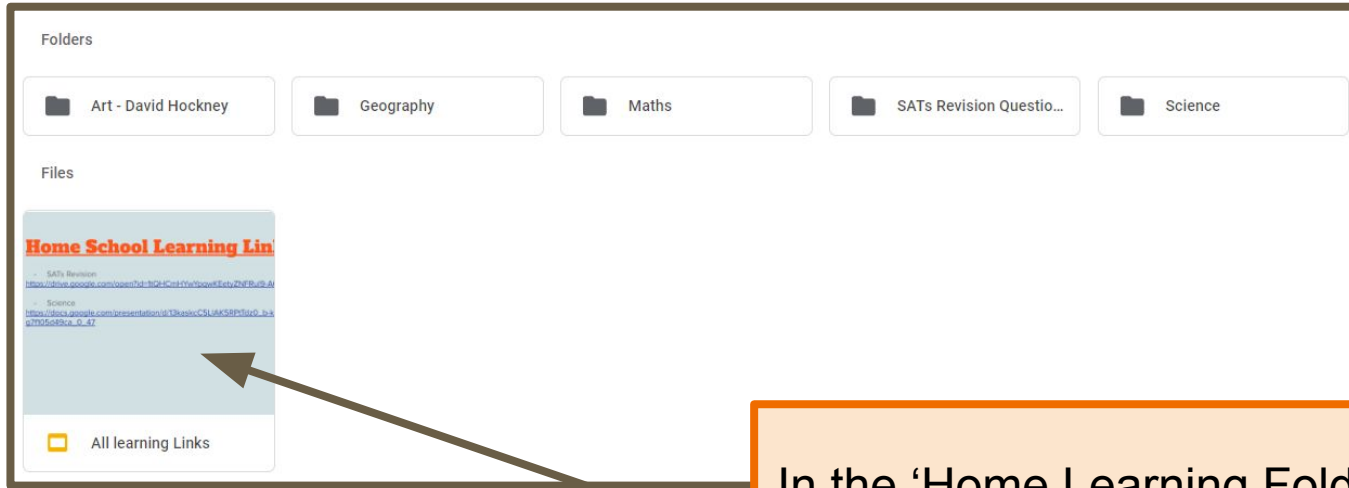

Go on to 'Pupil'.

# Accessing Learning

In the Pupil Drive, find and select the folder for your year group and click into the 'Home School Learning' Folder.

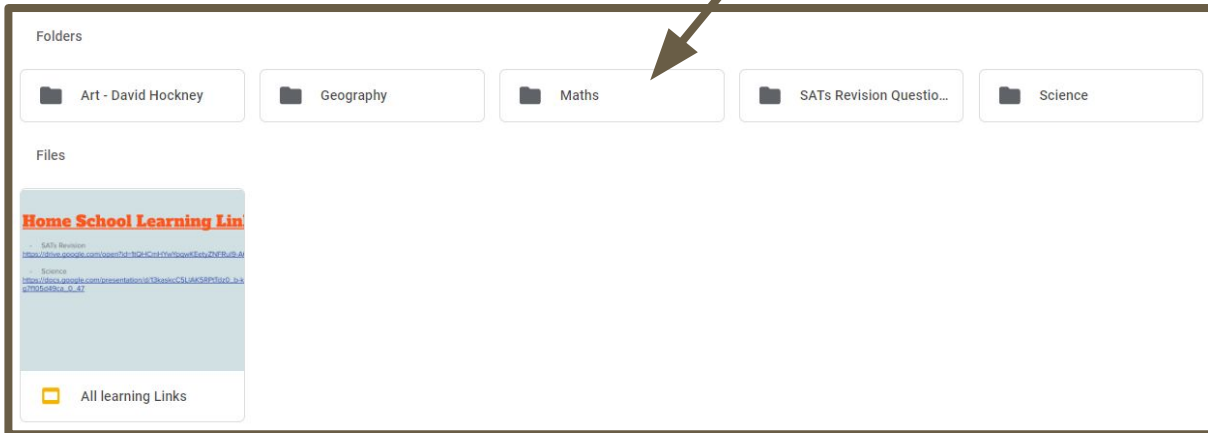

# Accessing Learning

In the 'Home Learning Folder' your teacher has put a slide containing all the links that you will need to access the learning.

# Accessing Learning offline

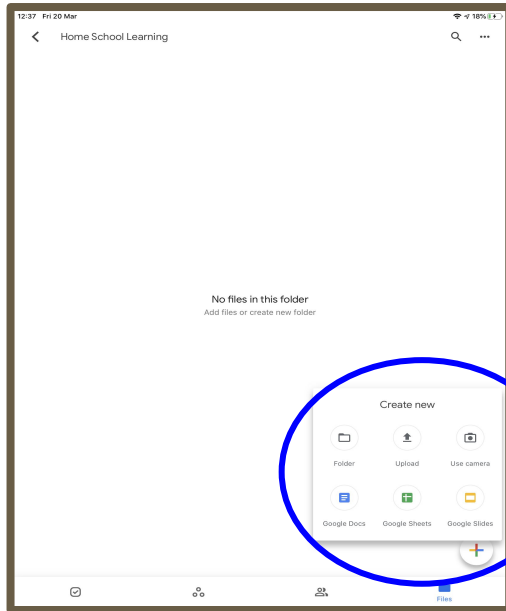

Your teachers have also downloaded all lessons as PDF Documents, therefore you will also be able to access the learning offline or if the links are not working for you.

# Creating Slides

In your folder, create a 'Home School Learning' folder to save all your work in. In order to create slides you need to click on the multi coloured add button at the bottom of the screen, click on Google Slides where you can showcase all your learning. Alternatively, you can use Google Docs to record your work.

## Pupil Instructions

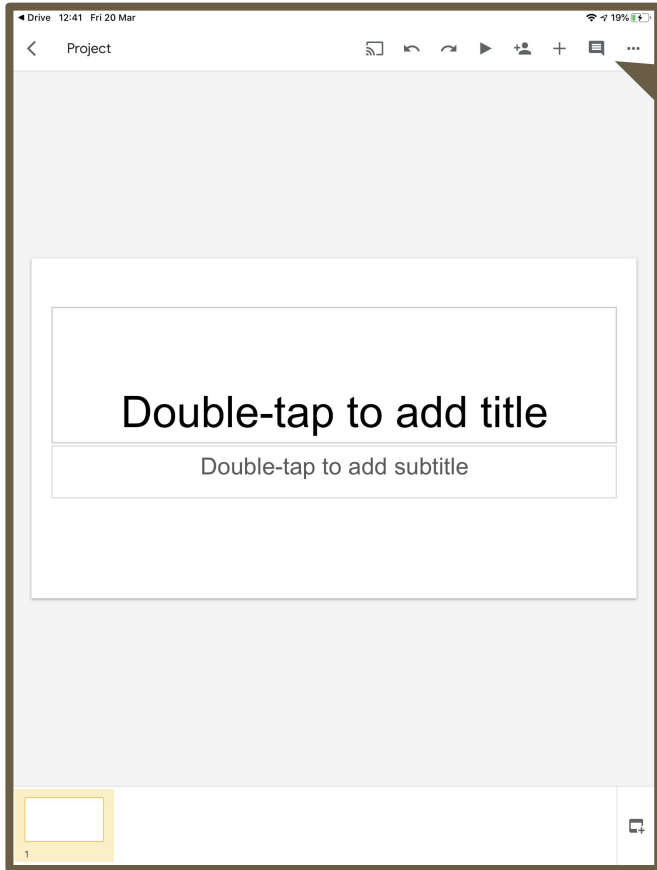

### Showcasing or Recording Learning

#### **For Example:**

If you were completing a Science Project you would name your Slides 'Science Project'

Shared Drive > Pupils > Select your year group > Select your class > Select your folder > Create a 'Home Learning' Folder and create your Slides/Docs in there.

# Communicating with Teachers

You can use the 'Comment' facility to communicate with your teacher to ask them questions about your learning; teachers will then see your comment and provide you with feedback about your work.
