

### **Parents:**

As well as the weekly National Curriculum lessons that our teachers are providing for your children and the workbooks that have been sent home, you can find a variety of activities, games and resources online at the click of a button. Follow the links below. If you require any support or have any questions about a topic or subject, please contact a member of staff who would be happy to help you.

### **All Subjects:**

**Discovery Education:** pupil login details can be found in each child's reading record. This is a fantastic resource with child-friendly videos, quizzes and activities for all year groups across all subjects.

<https://www.discoveryeducation.co.uk/what-we-offer/discovery-education-espresso>
