

Recorder work

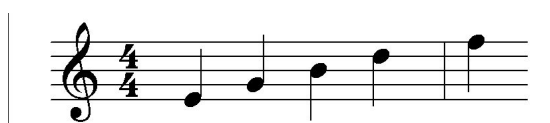

In this folder I have left the same song sheets we have been using to write music in class. I have also left some music paper below for you to use as practice for writing your own tunes. The notes and rhythms are at the bottom of the page to help you. Good luck.

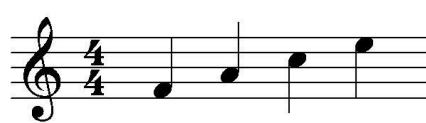

Remember your hand stave and ta, teti and too.

Remember only 4 beats in each bar.

Good luck.

Teti

Ta

A too looks like a ta but you do not colour it in.

Teti - 1 beat Ta - 1 beat Too - 2 beats.
