

# Arts Award KS1 - Part C

- Now you get to pick your favourite art form to do!
- Practice it and work on it for 2 weeks then get your parent or guardian to film you and upload it into your googledrive folder.

1. A dance (you pick the style, no tik tok, youtube or fortnite please).
2. A song you want to sing or a piece you play on your instrument.
3. A poem or speech you act on screen.
4. **This one is different.** you can choose to create a piece of art, you take a picture of the work near the start, in the middle and when you have finished and upload the pictures.

## Arts Award Part C non Googledrive

- You do exactly the same as you would if you could upload to googledrive, but instead of uploading your completed performance or piece of art work, you get your parent or carer to email it to [info@star.newham.sch.uk](mailto:info@star.newham.sch.uk).
- Good luck and get going.

# Other pieces of work you need to complete.

## Part A

Discovering the Arts - acting - [Discovering the Arts 1 KS1](#)

Discovering the Arts - dance - [Discovering the Arts 2 KS1](#) [Discovering the Arts 2 KS1 with starters](#) - if you need help writing

Discovering the Arts - music - [Discovering the Arts 3 KS1](#) [Discovering the Arts 3 KS1 with starters](#) - if you need a little help writing [Ta and teti rhythms Arts Award](#)

**Discovering the Arts - art** - [Discovering the Arts 4 KS1](#) [Discovering the Arts 4 KS1 with starters](#) - if you need help writing

If you cannot edit the templates, you can write them out on paper by hand.

## Part B

- In your pupil folder create a google slideshow with Arts Award Part B and your name as a title then choose an actor / artist / musician / character who you like and find out about them. Non googledrive pupils can create a poster or mini book to hand in later.
- Use 1 slide to tell me about them, 1 slide to tell me why they inspire you as an actor / artist / musician / character and 1 slide to show things they have done.
