

# Arts Award KS2 - Part C

- Now you get to go cross curricular.
  - We now know that there are many art forms, you need to choose 1 to practice for the next 2 weeks.
  - At the end of the 2 weeks (so after half term) you need to film and upload into your folder your performance. Pick and do 1 from the list below.
1. A dance (you pick the style, no tik tok, youtube or fortnite please).
  2. A song you want to sing or a piece you play on your instrument.
  3. A poem or speech you act on screen.
  4. **This one is different,** you can choose to create a piece of art, you take a picture of the work near the start, in the middle and when you have finished and upload the pictures.

# Arts Award Part C non Googledrive

- You do exactly the same as you would if you could upload to googledrive, but instead of uploading your completed performance or piece of art work, you get your parent or carer to email it to [info@star.newham.sch.uk](mailto:info@star.newham.sch.uk).
- Good luck and get going.

# Other pieces of work you need to complete.

## Part A

Discovering the Arts - acting - [Discovering the Arts 1 KS2](#)

Discovering the Arts - dance - [Discovering the Arts 2 KS2](#)

Discovering the Arts - music - [Discovering the Arts 3 KS2](#) [PRINT ME! My Composition Arts Award.pdf](#)

**Discovering the Arts - art** - [Discovering the Arts 4 KS2](#)

**If you cannot edit the templates, you can write them out on paper by hand.**

## Part B

- In your pupil folder create a google slideshow with Arts Award Part B and your name as a title then choose an actor / artist / musician / character who inspires you and gather information about them. Non googledrive pupils can create a book or newspaper article.
- Use 1 slide to tell me about them, 1 slide to tell me why they inspire you as an actor / artist / musician / character and 1 slide to show examples of their work.
- Use the skills your class teachers have taught you to make your slideshow look eye-catching.
