

*Nurturing &
growing together*

If you have a child who will be aged 3 in September why not consider enrolling them now for a place in our Nursery. We have both morning and afternoon sessions available.

Full day sessions are also available for families that qualify for 30 hour funding. To check eligibility for 30 hour funding please visit www.childcarechoices.gov.uk.

For a small cost we also provide a Nursery Breakfast Club from 7:30am.

If you would like to register your interest please complete our online [Nursery application form](#).
