

Week 14: English - End of Year Reflections

Monday

School's Out for Summer

Think about the last year in school. Think about all the things you have learnt, activities you have completed, places you have visited and achievements you have accomplished. Fill in the boxes below.

My Biggest Achievement

My Favourite School Trip

My Favourite Memory

My Biggest Improvement

Something I'm Proud Of

My Funniest Memory

My Favourite Lesson

Something I Will Miss

Tuesday

Task: Write a Letter to your Teacher

Here is a letter from your teacher thanking you for a fantastic year. Can you write a reply?

Dear 4J,

How are you all? I hope you are well and keeping safe! I miss you all. I wanted to write and thank you for a fantastic year! For many of you, this is the third year you have been in my class and I can't wait to see you move on and progress through Year 5 and Year 6. Remember to always come and say hello!

Let me tell you about my highlights of teaching you this year ... I really enjoyed our day trip visit the Docklands Museum and making the Shooting Stars Boxes to give to the elderly in our community. I have enjoyed seeing you progress into capable, independent learners. I enjoyed watching you present your speeches and Act it Out in English lessons. I also really enjoyed reading the writing pieces you created. You really have achieved a lot this year and you should be proud of yourselves! Thank you for making me smile every day!

Can you tell me:

What was your favourite part of the year?

What do you feel proud of achieving this year?

What do you want to work on next year?

What are you looking forward to about next year?

Do you have a message for me?

Have a lovely holiday and I look forward to seeing you all back at school next year!

Kind regards,
Miss Johnson

Dear 4D,

WOW!! What a year it has been!!

I hope you are all safe and well, I know these past few months have been difficult (and I miss you all soooooooooooooooooo much!!) but I wanted to write to you and reflect upon some of the amazing things that you have achieved this year as well as some of the highlights for me.

Some of my favourite things from this year was watching you grow in confidence with your times tables and showing how competitive you are when playing "Hit the Button" #bestgameever! As well as all of our rehearsals for Festival of Voices, and seeing how you tried so hard to learn all the songs, it makes me sad to think that we will not get to perform them.

Another memorable moment for me was going to the London Docklands Museum. It was such a moment of joy to watch your faces light up, to see all of the exhibits and just take it all in!

What was your favourite part of the year?

What did you enjoy the most?

Do you have a piece of work from this year that you are super proud of?

What would you like to achieve and what are you looking forward too?

Have a wonderful summer holiday, and I hope to see you again in September!!

Best Wishes,

Mrs Davis

Dear 4V,

How are you all? I hope you are all doing well and being good for your parents at home. I am fine, although I miss you all very much! It is nearly time for my baby to be born, so when you come back to school in September I won't be there - I will be at home looking after the new baby. I will be back next summer (2021) so I will be keen to see how much you have all grown and matured by the time you reach the end of year 5.

Let me tell you about my favourite moments teaching you this year: I loved teaching you about Martin Luther King. I loved listening to the powerful speeches you all wrote against racism. I really enjoyed when we went to the Docklands museum. I was proud of how nicely you behaved and how well you represented the school. I loved our art lessons and seeing how excited you all got when you knew we were going to do art. I loved watching how you all tried your best to improve various pieces of work you did by listening to my suggestions and even thinking of some of your own. You all have done so well in your own special, unique ways and you should be very proud of yourselves! Keep being kind and always supportive of each other. Remember you are a team!

Can you tell me:

What was your favourite part of the year?

What do you feel proud of achieving this year?

What do you want to work on next year?

What are you looking forward to about next year?

Do you have a message for me?

Have a lovely holiday, good luck in year 5 and I look forward to seeing you all in 2021!

Kind regards,

Miss Vernon

Dear 4R,

I cannot tell you how much I miss you all! I hope you're all safe, well and being good at home! It's been a very strange year but the time I did get to spend with you all was the best. You were my first ever class so you will always be very special to me (even if I'm not your teacher next year!). I thought I'd write to you all so we can reflect on our time together in Year 4 and think about our highlights of the year.

My absolute favourite day was actually back in Year 3 when we had our 'Meet the New Teacher day'. I was SOOO excited to tell you all that I was going to be your Year 4 teacher (I had to keep it a secret for a little while) and your reactions were amazing! Seeing your faces light up with joy made me the happiest and proudest teacher so thank you for making me feel so loved! My next highlight would be our 'Festival of Voices' practice, when we met Trevor Dion Nicholas, especially singing 'Friend Like Me' (one of my favourite disney songs). It's such a shame we didn't get to perform but you were all amazing and I know you would have been little stars up on that stage! My final highlight would actually be getting to spend my weekdays with you all! You are the most amazing class in the world and you have made me love teaching! So thank you all for making me laugh and smile everyday!

How have you been? Have you done anything exciting since we last saw each other?
Can you share some of your highlights from our time in 4R together and your time in Year 4?
What are you most looking forward to about going into Year 5? (You're all so grown up now!)

I cannot wait to see you all when you come back to school! Have a wonderful summer and stay safe!

Take care,

Miss Roberts

Write down something you have learnt
for each letter of the alphabet!

Thursday

Task: Write a Letter to your new Teacher

Use these questions to help you:

- What are your interests?
- What are you looking forward to next year?
- What are you worried about next year?
- What are your strengths?
- What are your weaknesses?
- What are some interesting facts about you?

Your teachers will share these with your new teachers!

Friday

Enjoy your last day of the year by choosing some of your favourite stories to listen to.
