ART

In this lesson you are going to look back at this school year. It's been a strange one hasn't it? We all have lots of memories of our time together in school and our time during online learning! So now you can capture some memories...

What are your best memories of school this year?

Who were your best buddies?

What did you enjoy doing the most?

Were there any funny teacher moments?

What was the best book you read this year?

What had you in stitches of laughter?

Draw your most memorable moments of this school year in photo templates.

Remember to upload your work to your folder.
