

# Creative Star Writers!

## Project 7

Friday 3rd July 2020

# Creative Star Writers!

You are going to be a creative writers!  
Using the scenario given in the next slide,  
you will plan your letter and create it using a  
range features.

Remember to be very creative and  
imaginative, it's your letter!

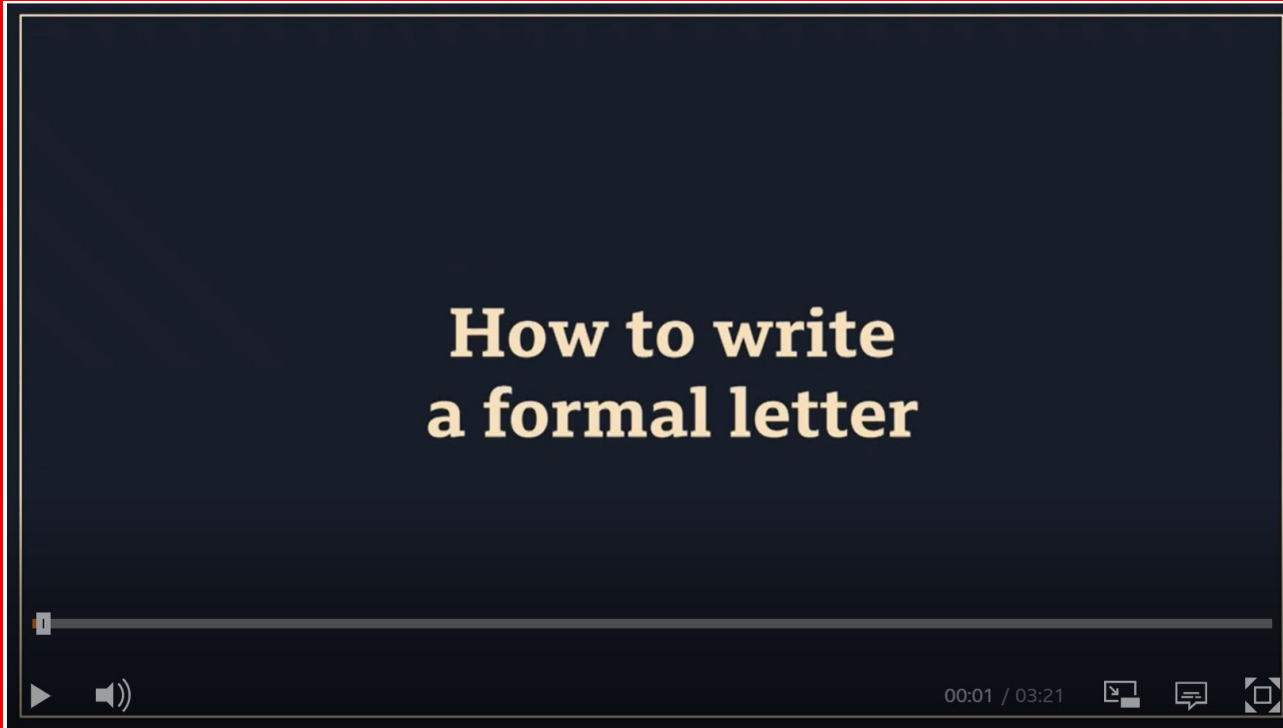

## **School at 7a.m.?**

As there are so many new things to be fitted into the school curriculum, the Governors of your school have decided to extend the school day starting at 7a.m. and finishing at 5p.m. You will only be allowed the usual lunch and play times.

**Your task is to write a letter to the Governors arguing against the idea.**

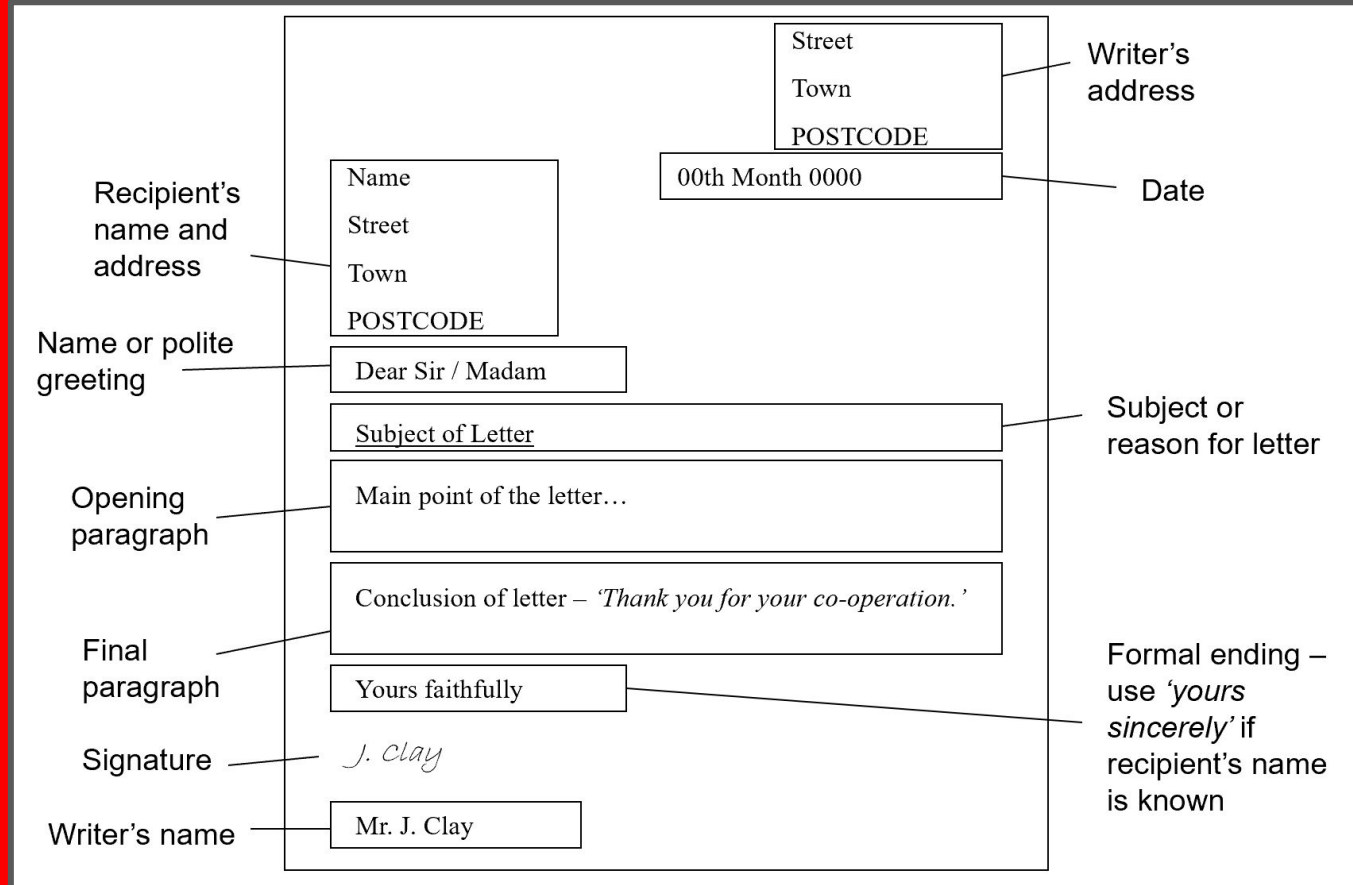

Let's find out more about formal letters!

# Features of an formal letter!

# Planning and Structure

Why are you writing this letter?

How do you feel about the decision made?  
Why do you feel this way?

How do you think this decision will affect you and others?

What do you think the next steps should be?

What do you think the governors should do to help?

## School at 7a.m.?

As there are so many new things to be fitted into the school curriculum, the Governors of your school have decided to extend the school day starting at 7a.m. and finishing at 5p.m. You will only be allowed the usual lunch and play times.

Your task is to write a letter to the Governors arguing against the idea.

# Your task...

Using the Planning and Structure Thinking Map, to write a persuasive formal letter based on the scenario that you have been given.

**Remember to include all the features of a formal letter.**
