

Week beginning

12/10/20

Nursery Newsletter

Star
Primary
School

This week's learning...

... will continue to focus on changes in the weather and our environment as well as using our senses to explore and investigate our woodland area.

We will continue to explore our interests in the Nursery setting, develop positive relationships with our peers and grow our independence in using the toilet and wash our hands.

This is the way we wash our hands, wash our hands, wash our hands...

I can do my zip up!

STAR moments...

Last week in Nursery was a very special week. We have been talking about the changes in weather, trees, leaves, the way we dress and so on.

We have observed rain falling and how we can see a rainbow if we have both rain and sunshine. We collected leaves and sticks from our woodland area and we talked about the colour and texture and used them to create pictures.

It's so windy my picture is flying away!

There's holes in the leaf. The caterpillar eat lots to be butterfly.

Mmmm .. Soup.

Don't forget!

- Provide **spare clothes** in your child's bag: socks, underwear, bottoms, tops.
- **Label** all clothing, shoes and bags.
- Fit Friday is on Friday. You need to come into school dressed in your PE kit: red t-shirt, black jogging bottoms/leggings, black trainers/plimsoll.

Over to you...Home learning

- Go on a **nature walk** and talk about things you observe while using your senses: what can you see? What can you hear? How does it feel? Etc.
- On your nature walk, collect natural objects: leaves, twigs, pine cones. Use them to create a picture. You can choose to mix these objects with other resources: paint, glue, coloured paper, plastic cups, etc.
- **Bug club**: read the allocated books.
- **Google classroom**: Check Nursery's timetable and activities
- Please send a family picture to our email address.
