

# Week beginning

12/10/20

# Year 1 Newsletter

## STAR moments

What a fabulous time we had in Year 1 last week!

We took on the 10 frame challenge, and explored our number bonds to 10.

In PE we learned a new dance routine and the benefits of exercise.

The happy leaves went to  
1M: Sukhvir  
1B: Ali  
1H: Aleena  
1P: David

## This weeks learning..

This week in Year 1 we will begin our topic on Black History Month. We will be looking at equality and standing up for what we believe in.

In Phonics we are starting to introduce books into our lessons. We are particularly trying to learn our red tricky words by sight to help our fluency in reading. Please practice your spellings at home to support this!

In handwriting we will practise forming the letters b, h, k, m and n. We know that a tripod pencil grip is the best way to do neat work and we have been working hard to keep our letters sitting on the line.

In Maths we are starting our work on subtraction. We will be using cubes, counters, our fingers and crossing out to help us understand what it means to take away.

# Don't forget!

Please bring your reading book back to school **every Friday** to be changed over the weekend.

P.E is on **Wednesday** (Just for this week!)

Fit Friday is on **Friday**.

You need to come into school already **dressed** in your P.E. kit.

## Over to you...Home learning

We will be looking at a new book all about Rosa Parks. Have a go researching about her, her life and why she is an important historical figure.

Upload your research to your Google Drive folder for your class teacher to see. The best work will be showed to the class for everyone to see.
