

Week beginning

12/10/20

Year 3 Newsletter

STAR moments

What a fabulous week we have had in Year 3:

In maths we explored subtracting using partitioning and the column method. What happens when we subtract tens?

We are enjoying watching the growth of our seeds! This week we explored how our plants are going through the process of photosynthesis.

We continued learning about the achievements of Jesse Owens. We put ourselves in his shoes to think about how he felt at pivotal times in his life.

In Art, we learnt step-by-step how to draw a portrait using proportions.

The happy leaves went to:

3S: Kadija
3P: Sarah
3D: Aayana
3J: Victoria

This week's learning..

This week in Year 3 we are exploring persuasive writing features which will lead to writing a powerful, persuasive black history month speech.

We will be further exploring subtraction in Maths through partitioning as well as using the compact column method.

As Artists we are drafting a portrait of Jesse Owens and remembering how to draw a portrait step by step.

As Historians we are looking into the timeline of Jesse Owens and the key events that shaped his life. We will be analysing which moments impacted Jesse the most.

As Scientists we are exploring the topic of plants. This week we are moving onto how water transports through a plant. Can your child research what these keywords mean? "Stem", "water", "absorbs", "xylem" and "transports".

Don't forget!

P.E is on Wednesdays.

Fit Friday is on Friday.

You need to come into school dressed in your P.E. kit on Wednesdays. Return your Home Reading book to school each Friday.

Over to you...Home learning

Your maths task is to create a thinking frame with everything you know about Multiplication and Division.
Can you take a picture and upload it to the Drive?

This week in History, we will be creating a timeline of Jesse Owens' life. Using Google Slides, can you create a timeline of your own history? There is a template on Google Classroom for you to work with.
Don't forget to include pictures!

Find this week's Spelling list (Unit 5) assigned to you on Google Classroom. These words link to the Spelling Rule we will be working on in class.
Can you practise them?

Keep in touch!
