STAR moments

We have had another fabulous week in Year 4. The children have started to learn about Dr. Martin Luther King Jr. and they are really enjoying researching his life. Ask your child to talk to you about it this week.

Tai Chi is progressing well on Fit Friday and the children are enjoying learning this new skill of deep breathing and relaxation.

The happy leaves went to
4D Zain
4R Elliot
4L Rumaisa

Don't forget!

P.E is on Tuesdays
Remember to bring your kit
Fit Friday is on

This week's learning..

The children will begin to write their own speeches this week based on Dr. King's famous 'I Have a Dream' speech. We look forward to reading them!

In Maths we will finish our maths recovery curriculum looking at multiplication and division. We are continuing learning our times tables to 12 through our maths lessons and using the Times Tables Rock Stars app.

This week as artists the children will be using pencils to draw a portrait of Dr. King. They will learn all about tone, shading and cross hatching.

In music the children are participating in stomp body percussion, and in P.E. are learning about gymnastics, key steps body management and football.

As scientists we are continuing our work on electricity. We had great fun exploring last week!

Over to you...Home learning

We have a new spelling resource for the children to use at home. The website is www.oxfordowl.co.uk and Year 4 log on for all children is as follows:

username: staryear4

Password: spelling

There are also E - Books and E - Audio books here as well.

Keep in touch!
