

# Week beginning

19/10/20

# Reception Newsletter

## This weeks learning...

This weeks learning will look a little different in Reception as we will all be at home. We still have an exciting and fun week of activities and lessons planned for you all!

In Phonics we will be learning to read and write the sounds e, l, h, sh and r.

We will be exploring the number 5 in Maths. We will also be looking at patterns!

The happy leaves went to:  
**RB:** Sabiha for showing great kindness and making new friends.

**RC:** Maci for coming into school with a smile this week.

**RP:** Samuel for using his phonics knowledge to write a word.

**RT:** Khaliyah for being a good friend to everyone in her class.

## STAR moments...

WOW! Look at what we've been up to:

Mmmm, taste our mudcakes!

We've been improving our fine motor skills!

We made a bridge!

We can mix colours!!

Last week in Phonics we learnt the sounds c, k, u, b and f. In Maths we explored the number 4!

*Ask your child all about it!*

## Don't forget!

This week we are learning from home so we won't have our normal PE activity. Make up for this at home by using our Fit Friday links and exercising around your home.

Remember stay healthy and eat lots of fruit and vegetables too!

## Over to you...Home learning

This week we are learning from home! Make sure you log into Google classrooms for live sessions with your teacher, check your class timetable.

Also keep up to date with challenges on Bug Club and Mathletics!
