

Week beginning

19/10/20

Year 2 Newsletter

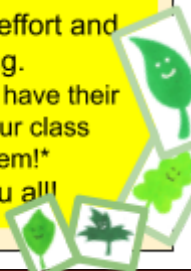

STAR moments

It has been just wonderful having 2B back in school this week and we have delved into our learning! Well done to the team and year 2 children for conducting such a successful online learning week! The rest of the year group have been working very hard on their learning at home and in their live online lessons which have been going fanastically.

The happy leaves went to 2B: Joanna: For fantastic attitude to online learning last week.
2H: Kevin for fantastic participation and contribution to our online learning.
2R: Ibrahim for completing every single online assignment to high standards.

2S: Leo for his amazing effort and work in his online learning.

Children learning at home have their leaves proudly pinned on our class happy trees, look out for them!
A big WELL DONE to you all!

This weeks learning..

We have worked hard on our speeches in our Black History lessons incorporating persuasive techniques. We will be recording these as a class this week and working on our oracy skills. We can't wait to get started!

We have been focusing on representing numbers and finding 10 first to help us count on from there. We have been using our place value tables as well as our ten frames this week.

We helped Sally the snail to find a suitable new habitat (a new home!) We helped Sally look at a few different options and decided that the woodland was the best place for her because it was damp and dark and she could easily shelter from danger of predators.

We continue to practise our online learning this week both at school and at home. We are so pleased with children using our online learning platforms. Remember children can earn Athletics certificates, points on Bug Club and win tournaments on Times Table Rockstars for their efforts!

Don't forget!

P.E is on Tuesdays - please wear your PE kit to school.
Spellings are tested on Fridays (**Learn your spellings for 5 minutes every day!**)
Fit Friday is every Friday.

Over to you...Home learning

Your maths task is to explore counting on from 10 this week. You can use the Maths to help you <https://mathsbot.com/manipulatives/blocks> Remember our place value!

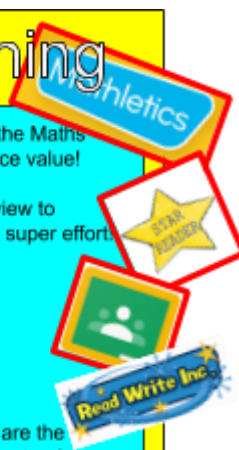

Your reading challenge is to read a book on Bug Club and write a book review to display in class! We will be allocating house points to children who make a super effort!

Find your 4 speed sound lessons by clicking on the links

1. <https://schools.ruthmiskin.com/training/view/dUEQAmT6/AB7k2kPg>
2. <https://schools.ruthmiskin.com/training/view/WW3XaTyO/FIS0axAB>
3. <https://schools.ruthmiskin.com/training/view/DHYQHUU/5L5K7FPv>
4. <https://schools.ruthmiskin.com/training/view/Y96AwvIT/UzI7W15j>

Your **weekly spellings** are assigned to you via Google Classroom. These are the spellings we use in our daily Get Spelling lessons in class to help you understand spelling rules and to learn them to be super spellers!

Practice your spellings every evening and challenge yourself to make up a rap or a song
