

Week beginning

19/10/20

STAR moments

The Year 4 children are continuing to amaze us with the fantastic speeches they have been writing this week. For example - the following sentence a child wrote - 'I am sweltering with the heat of oppression' really made us say "WOW!"
Your children are wonderful!

Thank you for your support this week during our virtual parents evening, it was weird and wonderful at that same time!

The happy leaves went to
4D Alaina
4R Inayah

Year 4 Newsletter

This week's learning..

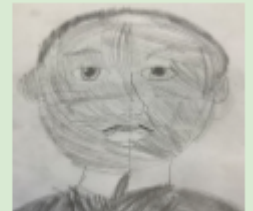

After finishing their speeches the children will be reading and performing them this week. They will be taking part in a whole school choral speaking competition which is defined as a group of people narrating a poem or dramatic piece in unison. We are all looking forward to hearing them!

We have decided to have one last week of our maths recovery curriculum and will be continuing with multiplication and division.

As scientists the children will be creating larger circuits using lightbulbs, buzzers and switches. They will create scientific diagrams that are labelled to show the components they have used and how they work.

As Historians the children are completing their topic on Martin Luther King and will be learning how he promoted non violence as a strategy for change.

In Big Reading we will complete our book We Are All Born Free and reflect on the Universal Declaration of Human Rights.

Martin Luther King drawn by Hannah 4D

Don't forget!

P.E is on Tuesday - Children need to wear their PE kit to school. Remember to bring in a jumper as the days are getting a little colder. Fit Friday is on Friday - don't forget your Fit Friday T. Shirt.

Over to you...Home learning

We have a new spelling resource for the children to use at home. The website is www.oxfordowl.co.uk and Year 4 log on for all children is as follows:

username: staryear4

Password: spelling

There are also E - Books and E - Audio books here as well. Spellings for the week can be found on Google Classroom along with times tables tests.

Children are to continue working on Times Tables Rock Stars, Mathletics and Bug Club. Well done to 4L on being the winners of the Times Tables Stars Competition last week!

Keep in touch!
