

Week beginning

02/11/20

Reception Newsletter

This weeks learning...

Welcome back to school! We have a very exciting week ahead for Reception.

Our new topic is **Media Mayhem!** We will be learning about how and why we use technology and looking at texts about robots. In Phonics we will be learning to read and write the sounds e, l, r, h and sh.

We will be exploring the number 5 in Maths. We will also be discussing height and length. We will be using the language taller, shorter, larger, smaller.

The happy leaves went to:

RB: Wyatt for coming to every live class from home and showing great enthusiasm.

RT: Sariah for her great attitude to home learning!

RC: Aresha for coming to every live lesson with enthusiasm.

RP: Hamza for working happily online at home with his teacher.

STAR moments...

Look at what we've been up to learning from home:

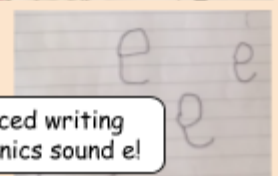

David has been representing the number 5 in different ways!!

Monika has been mixing colours painting signs of autumn!

Bella made a part whole model at home to help herself with her maths learning!!

Ilhan practiced writing the new phonics sound e!

Last half term in Phonics we learnt the sounds m, a, s, d, t, i, n, p, g, o, c, k, u, b and f. In Maths we explored the numbers 1-5!!
Ask your child all about it!

Don't forget!

Don't forget to send a family photo to the Reception email address!

PE is on Thursday.

Fit Friday is on Friday.

You need to come into school dressed in your PE kit.

Over to you...Home learning

Keep looking on [Google Classroom](#), [Mathletics](#) and [Bug Club](#) for work that needs to be completed. Please find link below to [Ruth Miskin Phase 1 Sound Cards](#) to continue your child's Phonics learning from home.
