

Week beginning

02/11/20

Year 1 Newsletter

STAR moments

We hope you all had a restful half term with your families.

During the half term it was the perfect opportunity to share some of your favourite stories. Do you have a special book at your house?

Last week's happy leaves went to:

- 1M: Spencer
- 1P: Vanesa
- 1H: Mariam
- 1B: Ali

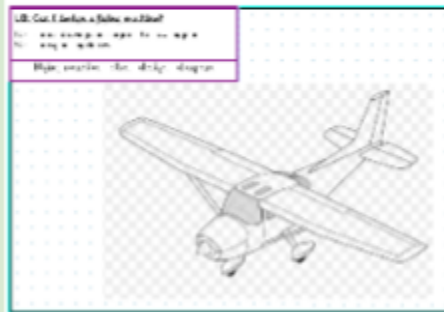

This weeks learning..

This week in Year 1 we will begin our topic on 'Flight'. We will decide what we want to know about things that can fly and use iPads to research for the answers!

Based on our research, we will design and build our own model aircraft out of recyclable materials. This will involve creativity and imagination!

Don't forget!

Please bring your reading book back to school **every Friday** to be changed over the weekend.

P.E is on **Monday**

Fit Friday is on **Friday**.

You need to come into school already **dressed** in your P.E. kit.

Over to you...Home learning

Please log into mathletics to find some work linked to this week's learning.

Make sure you are reading the books your teacher has allocated to you on Bug Club.

And don't forget to share any home learning you have done by uploading it to your folder on the Google Drive.

Keep in touch!
