This week's learning...

This week we will celebrate inter faith week. This will give us the opportunity to talk about different celebrations, including Diwali, the festival of lights.

We will learn about shapes, talking about similarities and differences, as well as creating patterns using different shapes.

STAR moments...

Look at what we've been up to last week:

'I'm making jellyfish!'

We're making the rainbow fish colorful with shiny scales!

Crash! Bang! Pop! Fireworks.

Look! Slimy slugs! Let's feed them trees.

Don't forget!
