

# Week beginning

09/11/20

# Reception Newsletter

## This weeks learning...

We had a fantastic first week back!

Our topic this term is **Media Mayhem!** We will explore different types of technology and how we use it. This week we will continue learning about robots and create our own.

In Phonics we will be learning to read and write the sounds r, j, v, y and w.

We will be exploring the number 6 in Maths. We will also be sharing and modelling positional language (above, under, on top etc).

The happy leaves went to:

**RB:** Natalia she is consistently so kind to others!

**RT:** Ahyan for having a positive attitude to school

**RC:** Sarlene for having a positive attitude to challenges!

**RP:** Valentino for being a kind friend

## STAR moments...

Look at what we've been up to last week:

Huwaitib chose and use a range of materials to create a firework picture.

Natalia retells the story of 'The Hungry Caterpillar'!

Look it's shorter!

1, 2, 3, 4, 5, go!

Jessica uses the tweezers to pick out all of the sunflower seeds.

Last week in Phonics we recapped the sounds e, l, h, sh and r. In Maths we explored the number 5 and the height of objects!  
*Ask your child all about it!*

# Don't forget!

Don't forget to **send a family photo** to the Reception email address!

PE is on Thursday.

Fit Friday is on Friday.

You need to come into school dressed in your PE kit.

## Over to you...Home learning

Keep looking on **Mathletics** and **Bug Club** for activities.

We are celebrating Inter Faith Week and looking at the festival Diwali. What information can you find about this festival?

Upload a video or a picture of your work into your Google Drive folder:
