

# Week beginning

09/11/20

# Year 1 Newsletter

## STAR moments

We had an excellent first week back last week!

We dove straight in to our Maths No Problem books, comparing numbers using the language 'more', 'less' and 'the same as'.

We started our new topic on Flight and created some fantastic model aircrafts!

## This weeks learning..

This week in Year 1 we will begin our topic Story Book 'Wee and the Wright Brothers'. We will meet the mouse who was there to witness the creation of the first airplane and learn more about this important invention in history.

We will explore materials in Science, and investigate the best material for a parachute, based on its properties.

# Don't forget!

Please bring your reading book back to school **every Friday** to be changed over the weekend.

P.E is on **Monday**

Fit Friday is on **Friday**.

You need to come into school already **dressed** in your P.E. kit.

## Over to you...Home learning

Please log into mathletics to find some work linked to this week's learning.

Make sure you are reading the books your teacher has allocated to you on Bug Club.

And don't forget to share any home learning you have done by uploading it to your folder on the Google Drive.
