

# Week beginning

16/11/20

# Year 1 Newsletter

## STAR moments

We used our Maths No Problem books to write our own number stories. For example:

There are 3 apples.  
2 apples are green.  
1 apple is red.

We had a lovely afternoon making Pudsey masks and doing lots of arts and crafts.

**Our happy leaves went to:**

1H - Hareem  
1P - Nehan  
1M - Kexin  
1B - Gabriel

WELL DONE

## This weeks learning..

This week we continued with our Story Book 'Wee and the Wright Brothers'. We found out that Wee fell from The Flyer! We created a thinking frame to decide how we could help Wee. We decided to make him a parachute. We carried out a science experiment to find out what was the best material to use.

This coming week we will be delving further into science experiments and thinking about sinking and floating.

# Don't forget!

Please bring your reading book back to school **every Friday** to be changed over the weekend.

P.E is on **Monday**

Fit Friday is on **Friday**.

You need to come into school already **dressed** in your P.E. kit.

## Over to you...Home learning

Reading books and spellings sent home tonight and need to be practised every night ready for our spelling test on Friday.

Make sure you are logging into Bug Club and Mathletics.

And don't forget to share any home learning you have done by uploading it to your folder on the Google Drive.
