

Week beginning

16/11/20

STAR moments

We have had a great week this week! In English, we used Now Press Play to have an interactive and immersive experience of life in Ancient Egypt.

In History, we compared life in Ancient Egypt to how life is today in Canning Town. Ask your child to describe how Ancient Egypt is different to Canning Town!

In Science, we conducted an experiment to see how different materials reflect and refract light. Ask your child about which materials reflect and which materials refract light.

In Maths, we explored adding tens and hundreds to a given number. We also focused on number patterns.

This term our focus is on positive relationships and our Happy Leaves went to:

3J: Imani-Kaniece
3D: Lena
3P: Tyler
3S: Rayan

Year 3 Newsletter

This week's learning..

This week in English, we are going to use all of our new found knowledge over the last few weeks to create our own newspaper articles based on the Ancient Egyptians. Are there any newspapers at home you can explore in preparation for this week?

As Mathematicians, we will be looking at a variety of different methods of addition that do not require renaming.

As Historians, we will be using our new found knowledge of Tutankhamun to create our very own fact file!

As Scientists, we will research different sources of light and how they could potentially be damaging to our eyes.

In Big Reading, we will focus on how to answer comprehension questions related to our text - The Iron Man. We will be looking into his character as well as how to infer information from the text.

In RE, we will be looking at the significance of light in different religions, with a focus on Hinduism, Christianity, Sikhism and Judaism.

Don't forget!

P.E is on Wednesdays - you need to come to school in your P.E. kit. As part of your kit, you can either wear your school jumper or P.E. hoodie. You can purchase our new P.E. hoodies, as well as Fit Friday hoodies and t-shirts from this website! <https://www.personalisedjustforyou.org.uk/back-to-school>
Fit Friday is on Friday - this term we are doing Tai Chi!!
Return your Home Reading book to school each Friday.

Over to you...Home learning

Science/RE: Around your home, can you find different sources of light you have and record this using the slides provided on Google Classroom?

Spelling: This week we will be looking at Set 2 of the National Curriculum Year 3/4 words. These will be uploaded onto Google Classroom on Friday. Please use the spelling sheet to practice every day and use the space provided to write some of your own sentences!
