

Week beginning

16/11/20

Year 4 Newsletter

STAR moments

What a busy week we have had! The children have been working very hard this week in all areas of their learning. We have been very impressed with the standard of their journalistic writing in particular! The children have used some amazing vocabulary and punctuation this week. We thought that this was an amazing piece of writing from Daniel in 4D.

It was discovered that a young criminal pickpocketed a pensioner's silk handkerchief. An eyewitness nervously quoted, " I saw the person who stole it, he wore a big top hat that covered his face."

In History this week we observed a 2 minute silence and found out why we celebrate Remembrance Day.

We have enjoyed two weeks of dance on Fit Friday and Mrs. Marshall is certainly making us move! Ask your child to show you some steps.

Happy Leaves this week went to:

This weeks learning..

In our English lessons this week we are continuing our newspaper work. The children will learn how to be editors and edit their article ready to publish in the class newspaper on Friday.

We are continuing our Maths - No Problem! scheme and this week the children will be counting in sixes, sevens and nines. The children will work in their workbooks and demonstrate their understanding of their learning in their maths journals.

In science, the children will begin a new topic called States of Matter and they will be learning all about liquids, solids and gases. We have a very interesting hook for this lesson which will we tell you about next week with pictures!

In Big Reading, we will be continuing to work on comprehension skills and we will be teaching the children how to quote directly from the book they are reading to answer questions.

We will begin a new Geography topic next week where we will be teaching the children all about human and physical geography and focus on the Docklands area and how it has progressed over the years.

Don't forget!

P.E. is on Tuesday.

Fit Friday is on Friday.

You need to come into school dressed in your P.E. kit.

Over to you...Home learning

Children should continue with Times Tables Rockstars, Mathletics and Bug Club at home. On Google Classroom, you will find this week's spellings and Times Tables badge practice sheets. Also on Classroom, there is some written homework for the children to practise their handwriting and punctuation skills. The children can use the English book they have at home to do this work.

Keep in touch!
