

# Week beginning

30/11/20

# Reception Newsletter

## This weeks learning...

We have a very exciting week ahead in Reception.

In Phonics we will be carrying out our first Phonics assessment to see which sounds your child has remembered. In Maths we will be exploring the number 9.

We are also going to have our first Now Press Play experience. The children will use the technology to dive right into the Christmas Story and be encouraged to act it out at the same time!

The happy leaves went to:  
**RB:** Wyatt for showing determination in learning his sounds.  
**RT:** Ayyub for learning to play with his friends.  
**RC:** David for being positive in school and laughing lots.  
**RP:** Samuel for being a fantastic friend.

## STAR moments...

Look what we got up to last week:

We have been very lucky to receive some new equipment. Here we are enjoying it all.

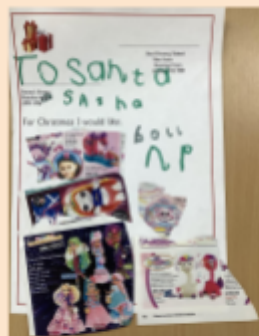

I'm swinging like a monkey!

Flour look!

Ibtehaj is looking for the letters inside the ice.

We have been busy writing letters to Santa, using our sounds to write words as well as finding pictures.

Last week in Phonics we learnt the sounds ng, nk, ck and recapped the sounds sh, f, j, y and th. In Maths we explored the number 7 and used cubes to compare the height of two objects!

## Don't forget!

Now the weather is turning cold, please ensure your child is dressed appropriately. Our children enjoy the outdoors in all weathers so please ensure they come to school with hat, scarves and gloves and remember to label them.

Please return your school reading book on Friday and place them into the basket.  
PE is on **Thursday** - your child needs to **come to school in their PE kit**.  
Fit Friday is on Friday. Don't forget to wear your Fit Friday t-shirt.

## Over to you...Home learning

Go onto **Mathletics** and **Bug Club** complete the activities you have been set.

Explore 'Science in my Kitchen' home project.

Mathletics

Upload your investigations into your Google Drive folder.
