# Reception Newsletter

## This weeks learning...

We are now fully in the Christmas spirit!

This week there will be lots of opportunities to be creative with our special Christmas crafts. We are also preparing for the final performances of our Christmas songs - we can't wait for you to hear them!

In Phonics we are going to be consolidating set 1 sounds and some children will be using them to write cvc words and even sentences!

The happy leaves went to:

**RB:** Sienna for overcoming something she found difficult.

**RT:** Denika for building confidence to develop positive relationships with others.

**RC:** Jessica for having a positive attitude to school and others.

**RP:** Rahil for playing nicely with his friends.

## STAR moments...

Look at what we've been up to last week:

We were really excited to listen to 'The Christmas Story' in our Now Press Play session. We acted out different roles and joined in repeated refrains when asked to.

We made Christmas tree hats!

We've been busy baking cupcakes. We looked carefully at the scales and measured everything carefully.

We need to go to the number 8!

David used the ramp to pour the water straight into the bucket!

Last week in Phonics we recapped all the sounds - we have really impressed our teachers! In Maths we explored the number 9 and used cubes to measure the length of different body parts!  
*Ask your child all about it!*

# Don't forget!

Now the weather is turning cold, please ensure your child is dressed appropriately. Our children enjoy the outdoors in all weathers so please ensure they come to school with hat, scarves and gloves and remember to label them.

Please return your school reading book on Friday and place them into the basket. PE is on **Thursday** - your child needs to **come to school in their PE kit**. Fit Friday is on Friday. Don't forget to wear your Fit Friday t-shirt.

## Over to you...Home learning

Keep looking on **Mathletics** and **Bug Club** for activities.

Take part in the 'Science in my Kitchen' project. What experiments will you do? Upload into the Google Drive Folder.
