

Week beginning

14/12/20

STAR moments

This week we have visited Father Christmas and have had our photo taken. Make sure you have a look around our yards at our amazing decorations we have been making.

Our happy leaves went to:

- 1H - Maya
- 1M - Aiden
- 1P - Sara
- 1B - Rania

Year 1 Newsletter

Last weeks learning...

In maths last week we continued looking at subtraction. We created number stories such as "I have 10 apples and I eat 4 of them, then I have 6 left." See if you can think of any subtraction number stories together at home.

In Science we looked at seasons focusing on winter. We looked at what animals hibernate, what we wear, how many hours of daylight we have and what happens to plants.

We explained why Christmas is special for Christians and what things we do to celebrate. We give presents, sing carols, eat roast dinner.

This week...

We have lots of fun Christmas activities planned!! We are learning about advent wreaths and making our own. We have an immersive virtual experience and making our loved ones Christmas cards. Not forgetting our dancing shoes on Thursday for our PARTIES!! We can't wait!

Don't forget!

Wednesday 16th December - Christmas dinner and jumper day. If your child has packed lunch they may not want to bring one this day to eat roast dinner with everyone.

Thursday 17th December - Class party and last day!

Next terms learning

Next term our topic is Our Earth Our Home. We will be looking at how we can look after our planet by looking at endangered animals, recycling and being more environmentally friendly. This will be done through making posters, looking at non-fiction texts and creating a whole class campaign to make the world we live on a healthier and greener place to live.

Over to you...Home learning

You will be receiving a pack this week with home learning for over the Christmas holidays. Try and get through as much as you can but also remember to have a fun filled break with family and friends. Take time to go to the park, play games together and spend special family time.

Reading books **MUST** all come back to school before the holidays.

However, remember you can still complete Bug club and Mathletics activities.
