Year 4 Newsletter

STAR moments

It's been another great week in Year 4. The children have been using Chromebooks and iPads in maths, working on addition and subtraction word problems. They were able to show their understanding by creating slides showing their thinking. Take a look at your child's work on Google Classroom. As Historians the children were learning about life for children during the Industrial Revolution. The children were shocked to discover that children of their age were sent out to work in factories, to clean chimneys and work as domestic servants. They imagined what life would be like if they were born during that time and wrote some fantastic diary entries about this.

Happy Leaves this week went to:

Don't forget!

P.E. is on Tues
Fit Friday is on
You need to co

This weeks learning..

We have a very exciting week ahead of us! As the term draws to a close, the children will be participating in some fun wellbeing activities. We will start on Monday where we will have a Design and Technology day. The children will complete their light boxes and evaluate the work they have done. They will take photos of their creations and put them on the Pupil Drive so you can see their great work.

On Tuesday the children will continue with their music and P.E. lessons and also have the opportunity to visit the lovely grotto that has appeared in our playground. In the afternoon we will be watching an interactive pantomime called Jack and the Beanstalk. As we can't go on any visits at the moment, we thought it would be a good idea to bring this experience to the children virtually.

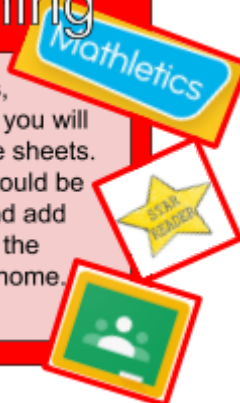

On Wednesday we have another virtual experience for the children planned. We will go on a virtual tour of a Dickens Christmas. Wednesday is also Christmas Jumper and Christmas dinner day. We are asking for a donation of £1.00 for our local charity Richard House Hospice. If your child does not have a Christmas jumper we can help them decorate their jumper at school, if they want to.

Thursday is party day. The children will have activities in the morning and their party after lunch. Food and drink is being provided by the school.

Everyone in Year 4 would like to wish all those celebrating, a very Happy Christmas and wish you all a happy and healthy New Year. See you in 2021!

Over to you...Home learning

The children should continue with Times Tables Rockstars, Mathletics and Bug Club at home. On Google Classroom, you will find this week's spellings and Times Tables badge practice sheets. If children would like to keep a diary of their holiday that would be great! They could choose to create slides on their drive and add some information about what they have done each day or the children could hand write this in the books that were sent home.

Keep in touch!
