

Week beginning

4/1/21

STAR moments

Year 1 would like to wish everyone the happiest of New Years and we hope that you have all had a restful holiday with your families. We find ourselves in strange times yet again! We would like to reassure you that the pupils' safety, well-being and learning remains our top priority despite the government's decision to close schools. Please keep safe during these testing times!

Our 'Stars Of the Term' went to:

1H - Maya
1M - Helen
1P - Marwa
1B - Rahniah

Year 1 Newsletter

Moving to online learning

Due to the latest restrictions, we are going to be moving all of our learning to the **Google Classroom**. Although it saddens us that we will not be able to teach you all in person, Year 1 have made every effort to organise the learning and curriculum so that it is achievable virtually!

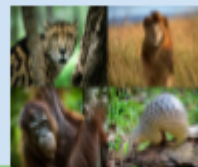

Everything we would have been learning in school, will be taught through Google Classroom. Please join us everyday for **three** live learning lessons and several home learning tasks. Education is incredibly important so it is vital your child joins in the online learning. We would like to remind you to read the ESafety Home School Agreement on the school website.

This week...

This week we will be getting back into our curriculum. In Literacy we will be going over our phonics sounds and starting a new book. The new *pink* story will be uploaded onto Google Classroom for your child to read everyday! In Maths we will be learning about positions and ordinal numbers. Perhaps you can have a race and see who comes first? Lastly, throughout the week, we will begin our new termly topic 'The Earth Our Home', learning lots about endangered animals! Check out our Week 1 timetable to find out more.

Do you need help with Google Classroom?

If you are finding it difficult to access Google Classroom and the live teaching sessions on Google Meet, you can visit our school website for help and guidance:

<https://star.newham.sch.uk/our-learning/google-classroom/> or email us below.

Over to you...Home learning

The teachers will continuously be providing online opportunities for reading, phonics and maths. It is crucial that all pupils take part in the below programmes.

Pupils must:

- Attend **ALL** the live teaching sessions and complete all other tasks set by the teacher.
- A register will still be taken each day.
- Log on and use **BUG CLUB** daily
(please also read and share any extra books you have at home)
- Log on and use **MATHLETICS** daily
- Play and complete any additional material/videos sent you via the google classroom. **Phonics session videos** will be sent regularly.
