

Week beginning

11/1/21

# Year 1 Newsletter

## STAR moments

We've been delighted to see so many of you join us for our daily live lessons via the Google Classroom. The children have impressed us immensely with their continued enthusiasm, impeccable behaviour. Learning will look different this half term but year 1 have made a wonderful start to remote learning. We're very proud of you!

This half term our theme for our happy leaves is coping skills.

### Our Happy Leaves went to:

1H - Hudson

1M - Alisa

1P - Vanesa

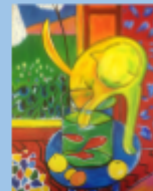

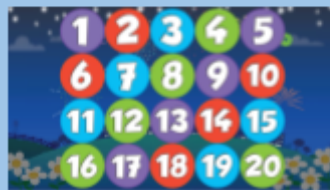

1B - Isabelle

## This week...

This week we will be continuing our learning in the topic 'Earth Our Home'. In Maths we are looking at Numbers within 20. Practise at home counting to 20 as this will help! In Literacy we will be moving onto the next book, so keep an eye out on Google Classroom for this. For our foundation subjects this week, we are going to be starting Art. In Art we are going to explore the artist Henri Matisse. In Science we will be learning more about animals! You can find out more in our weekly timetable.

Everything is being taught through Google Classroom. We ask that you join each day for **three** live learning lessons and several home learning tasks as it is a compulsory requirement. We all know how important daily learning is for our pupils.

## Don't forget...

We are posting lots of useful information on Google Classroom every day. Please check the...

- weekly timetable everyday
- assignments for the day
- 'How to upload work' videos if needed
- **Only arrive 5 minutes before your live lesson, no earlier.**

You will be able to find all of this information in your 'Classwork' section of Google Classroom.

### Do you need help with Google Classroom?

If you are finding it difficult to access Google Classroom and the live teaching sessions on Google Meet, you can visit our school website for help and guidance:

<https://star.newham.sch.uk/our-learning/google-classroom/> or email us below.

## Over to you...Home learning

The teachers will continuously be providing online opportunities for reading, phonics and maths. It is crucial that all pupils take part in the below programmes.

Pupils must:

- Attend **ALL** the live teaching sessions and complete all other tasks set by the teacher.
- A register will still be taken each day.
- Log on and use **BUG CLUB** daily  
(please also read and share any extra books you have at home)
- Log on and use **MATHLETICS** daily
- Play and complete any additional material/videos sent you via the google classroom. **Phonics session videos** will be sent regularly.
