

Week beginning

11.01.2021

Year 5 Newsletter

STAR moments

Wow! What a great start to our remote learning! We've learnt so much already.

This week's happy leaves go to:

5ON: Ikram for embracing her online learning with enthusiasm and energy.

5T: Sawmi for engaging greatly with online learning and bringing her enthusiastic approach to learning into Google Classroom.

5P: Ali Akbar has been attending all his online learning sessions and participates actively in every session. Well done!

School starts at 7:50am each morning and finishes at 2pm each day.

Don't forget to wear your school uniform.

Online learning this week is...

Log on to the Google Classroom. Read any comments in the class stream and click on the classwork tab to find this week's learning.

As mathematicians we will continue to focus on division. We are going to work on our journaling skills and explaining how we can use different methods of division and when it is appropriate to use each method.

In English we will continue looking at the features of non-chronological writing. This week we will focus on space to help us write a fact file about our solar system. This will lead us to writing a persuasive letter in our big writing session to the Space Agency to convince them that we are the next greatest astronaut.

As readers we will be looking at our brand new book for this half term Kick! A story about a young boy living in the slums of Jakarta. He has dreams of being a star football player, but can he follow his dreams and become a legend?

In Science we will be looking at the features of the planets in our solar system. From Mercury to Neptune we will look at each planet that we share our Sun with and find out what makes them special.

In RHSE we will be developing our coping skills. We will be learning what our coping skills are and when is the best time for us to use them.

In Geography we will be taking a trip across the ocean to look at the physical features of America. We will be highlighting specific features like the continent's rivers, mountains and coasts.

Week Two Timetable:

<https://drive.google.com/file/d/1Pd0oqTymX8IXOy1yhUvtfYm8Ww3Cq8z/view?usp=sharing>

Don't forget!

PE and music is on Wednesday for Year Five. Your teachers will share VIRTUAL activities with you. Fit Friday will be virtual too! Feel free to wear your PE kits and get active at home!

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.

Keep in touch!
