

Weekly Newsletter - 15/01/2021

Dear Parents,

Thank you so much for the wonderful emails of thanks and encouragement that we are receiving each week. You cannot imagine how much it lifts our spirits here at school especially when the media is constantly reporting negative aspects about what schools are currently doing.

I am delighted to see that some classes have now achieved 100% online/onsite attendance and we are doing our very best to make sure that every family in the school is supported to access learning every day. We are in a very fortunate position to support families with devices, so please get in touch with us if you are still struggling.

We still need to be extra careful at any time that we need to be in or around the school building. Please always wear your mask when going out and make sure you and your children keep up the hand sanitising routines at home.

Best wishes
Ms Von
