Well done parents and children for your efforts, patience and resilience. Please can I remind you that these lessons are compulsory - please join us daily for fun and engaging activities for your children :)

More fun for your brain

- Cooking - follow a simple recipe, use scales to measure amounts.
- Shopping - use the things in your house to make a shop.
- Hot/Cold game - something is hidden in the room. Your grown up helps you find it by saying "You're getting hot" if you are close. "You're getting cold" if you are not close.

STAR Moments

We used our imagination, fine and gross motor skills to create spider webs. We also used technology to investigate creepy crawlers in our house and garden.

I practise writing sssssss - slither down the snake

Look at my enormous spider web!

1,2,3,4,5. 5 pesky flies!

Alan is using a phone camera to take pictures.

Ismael is learning to use a pair of scissors.

We joined our LIVE lesson for singing, dancing, story time and Fit Friday.

Don't forget!
