This weeks learning...

We are looking forward to having more fun this week and continuing our online learning! We were really impressed with your efforts last week so keep up the great work!

This week in Phonics we will be practising these sounds sh, r, j, v and y.

In Maths, we are looking at capacity and weight. You can practise this at home too. We will also be looking at finding numbers to ten use both objects and the numeral.

The happy leaves went to:

RB: Nellie for demonstrating a positive attitude towards her learning.

RT: Naylaa for having such a great attitude every live lesson and greeting all her friends with a big smile!

RC: Hana for being enthusiastic and really challenging herself in her home learning.

RP: Lucas for joining in happily with all his online lessons!
