

# Week beginning

## 25/1/2021

# Year 2 Newsletter

## Star Moments

Well done Year 2 for another super week of online learning. Although we miss not seeing your lovely faces in school, it is wonderful to see you all on our screens. Continue to upload your super work onto your Google Classroom each day for your teachers to mark! **Year 2, you had some of the best online attendance this week, well done!!**

This term our happy leaves are rewarded for using our coping skills as well as our online learning. This week our happy leaves go to:

**2B:** A big well done to Joanna for completing your online independent work this week to a great standard and uploading your work each day. I was very impressed to see you have been embracing extra maths challenges and independent tasks for our Earth our Home topic! Superstar!

**2H:** A big well done to Lucas this week for fantastic participation in all our online work and for producing an outstanding piece of art work. Well done Lucas.

**2R:** Well done to Joseph this week for all the efforts he has put into completing his work and uploading it on time. Joseph demonstrated a brilliant "Can Do" attitude throughout all the live learning lessons.

**2S:** Well done to Ayan this week for being a role model to all the children in 2S. Ayan has been fantastic with his punctuality to lessons as well as uploading his work on to Google Classroom. I am super proud of you. Keep it up!

A big well done to you all!

# Don't forget!

Music and P.E lessons are Tuesdays as normal- please wear your PE kit. Follow your class timetable to attend lessons on your usual Google Classroom.

2B: Music: 1.05-1.30 PE: 1.30-1.55

2H: Music: 12.40-1.05 PE: 1.05-1.30

2R: PE: 12.15-12.40 Music: 1.30-1.55

2S: Music: 12.15-12.40 PE: 12.40-1.05

## Our learning..

**Log on to the Google Classroom. Please carefully read any comments on the class stream and click on the classwork tab to access this week's learning. A weekly timetable is also uploaded with the children's learning for each day.**

In English we will be exploring a book about pets for our phonics lessons. We will also be writing speeches in English this week about banning plastic. We will be using our Chatterpix app and Sketches school app this week too!

As Mathematicians, we will be learning about 2D shapes. Please remember to also log into your Mathletics and Times Table Rockstars. You have some class battles set on Times Table Rockstars!

As Scientists, we will be learning more about ocean animals and food chains.

In Big Reading, we will be continuing our journey into our book 'What a Waste'.

In RE, we will be exploring the seven values of 'Kwanzaa'.

As Geographers this week we will be looking at maps and the location of our school on a map.

P.E and Music will still run on a Tuesday afternoon each week as normal. ATTENDANCE IS COMPULSORY. Well done and thank you to those children who promptly attended and took part last week. Each class has their own timetable which can be found on our weekly year 2 timetable accessible on your Google Classroom Stream.

## Home learning

The week's lessons are uploaded to your 'Classwork' in your Google Classroom at the beginning of each week. After each lesson children can access the lessons on their google slides. For maths they can edit the slides and submit this way. Children can complete their written work in their workbooks, upload a picture and submit their work on Google Classroom. It has been so wonderful to see some extra work the children have been doing at home, particularly their work for our topic this term 'The Earth our Home.' Don't forget to upload a picture to your Google Classroom so that your teacher can have a look.

Attendance for LIVE LESSONS is compulsory and a register is taken at the beginning of each session.

Well done and thank you to those children who took part in their Tuesday afternoon PE and Music lessons. These lessons are important and attendance is mandatory.

### Star's Google Classroom rules.

Well done and thank you to everyone who has explored the Star Google Classroom rules. Your teacher has uploaded a copy to your stream.
