

Week beginning

1/2/2021

Year 2 Newsletter

Star Moments

This has been yet another super week for our year 2 pupils. It is our fourth week on online learning and we are just so proud of the resilience our young learners have shown. They are super engaged and show wonderful enthusiasm for their online learning.

We had lots of fun with our Chatterpix app creating catchy and persuasive slogans in our efforts to save our ocean animals this week. We are looking forward to our debate next week on our big question 'Should we ban plastic to protect our oceans?'

This term our happy leaves are rewarded for using our coping skills as well as our online learning. This week our happy leaves go to:

2B: Deon, I am so pleased with your efforts in your online learning. You overcame the challenge of uploading your work by using your coping skills and I am so pleased you did because your work is all fantastic. Thank you and well done!

2H: A huge well done to Syeda this week. She has such a positive attitude to her online learning always 100% engaged in everything we do. Well done Syeda

2R: Big well done to Alisha who put 100% efforts in her work and tries her best to completed it to an outstanding standard. Keep up the hard work Alisha

2S: Edona, you have been a superstar and role model to all. You always give 100% effort including in PE and Music lessons. Keep up the hard work!

A big well done to you all!

Our learning..

Log on to the Google Classroom. Please carefully read any comments on the class stream and click on the classwork tab to access this week's learning. A weekly timetable is also uploaded with the children's learning for each day.

In English we will be learning about debating and taking part in our own debate!

As Mathematicians, we will continue our learning on 2D and 3D shapes.

As Scientists, we will be learning about the Great Barrier Reef and looking at the effects of climate change on the ocean life and fauna there.

In Big Reading, we will be splashing into a brand new book with the children from the Magic Bus series!

In RSHE, we will be discussing criticism and how we can use our coping skills.

As Geographers we will cartographers after our a journey around England using our digimap technology.

P.E and Music will still run on a Tuesday afternoon each week as normal. ATTENDANCE IS COMPULSORY. Well done and thank you to those children who promptly attended and took part last week. Each class has their own timetable which can be found on our weekly year 2 timetable accessible on your Google Classroom Stream.

Tuesday

Music and P.E lessons are Tuesdays as normal. Your timetable has now changed with a mixture of some fun LIVE sessions and some super energetic recorded sessions! Please wear your PE kit. Follow your class timetable to attend lessons on your usual Google Classroom.

1.05-1.30:

PE LIVE with Mr George and Mr O'Rourke

Home learning

We are very pleased at the children's efforts in their online learning so far this term and we would like to say a BIG thank our grown ups for supporting our year 2 children at home. We understand that these are challenging times but want to tell you all that you are all doing a wonderful job!

Year 2's weekly lessons are uploaded to your 'Classwork' in your child's Google Classroom at the beginning of each week. After each lesson children can review the lessons on their google slides. For maths workbook
