

# Week beginning

01.02.2021

# Year 5 Newsletter

## STAR moments

### Year Group Attendance:

The class with the best attendance this week is **5ON!**

This week's happy leaves go to:

**5ON:** Daisy has been awarded 5ON's happy leaf for producing a wonderful fact file all about our solar system. Excellent work, Daisy!

**5T:** Charlie has been awarded the happy leaf for logging on every day and joining in and driving our class discussions. He has created some interesting talking points, well done!

**5P:** Summer has been awarded the happy leaf for logging on to every live session and completing all her independent learning to a high standard. Well done Summer!

**School starts at 7:50am each morning and finishes at 2pm each day.**

**Don't forget to wear your school uniform.**

## Online learning this week is...

**Log on to the Google Classroom. Read any comments in the class stream and click on the classwork tab to find this week's learning.**

As mathematicians we will be continuing to practice our skills when it comes to interpreting data. We are going to discuss trends in data and how this affects our reading of the data. As well this, we are going to try plotting our own line graph.

In English, we will be talking all things climate change! We will discuss the cause and effects of forest fires and write persuasive letters to the Prime Minister, Boris Johnson. We will also delve into the world of campaigning and create some informative posters. As readers, we will be continuing our book, 'Kick'; analysing the relationship between two main characters and improving our inference and deduction skills by answering comprehension questions. Our grammar this week will be on verbs and how to form verbs from nouns and adjectives.

In RSHE, we will be learning all about how positive visualisations help us to cope in challenging situations.

As scientists, we will be exploring how the the moon moves and the impact it has on our planet Earth.

As geographers, we will be using a categorising thinking frame to categorise the different ways that California manages and sustains their forests.

In RE, we will be exploring the story of Bilal and discussing his actions to stick by what he believed in.

Please check your child's timetable as we have included well-being activities (Joe Wicks Workouts) for them to access, as well as a **daily check-in sessions with their teacher at the end of each day.**

### Week Five Timetable:

<https://drive.google.com/file/d/1FaJvCZ-REU5E6BeUvFbup7sXruro45B/view?usp=sharing>

Don't forget!

### \*\*\*100% Attendance\*\*\*

Exciting news - we will be introducing **Golden 30** as of this week. Classes will now be awarded 30 minutes golden time each Friday for 100% attendance. Who will win it this week year 5?

**YOU MUST ATTEND ALL OF YOUR ONLINE LESSONS EACH DAY AND 'AND IN' THE WORK YOU COMPLETE FOR YOUR TEACHER TO MARK!**

## Over to you...Home learning

Remember to access Mathletics as often as you can! Your teachers will be giving out certificates based on how many points you get. Who will be a master mathematician?

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too!

Oxford Owl has launched a new library service. **Your class can log in using this username and password by clicking on the 'My class login' button on the Oxford Owl** <https://www.oxfordowl.co.uk>

The username is **star 5/6** and the password is **Star21**
