ATTENDANCE UPDATE

2S you had the BEST online attendance last week, well done!

Wow, what a week year 2! We are now in our final week of the term and your teachers are so proud of how you have settled into your online learning routine. We have LOVED seeing you use your coping skills when you found something a little challenging. It was wonderful to hear about your independent winding down activities each day as part of Children's Mental Health week. It shouldn't stop there though, it is so important to listen to our feelings and invest time into our bodies and minds away from screens and online time.

This week our happy leaves go to:

2B: Keyon: I am so proud of the progress you have made in your writing this term. You wrote a fantastic letter to Boris Johnson and you also wrote a wonderful speech persuading a ban on the use of plastic. You will make a super environmental activist one day!

2H: Congratulations to Elizaveta, you have achieved our happy leaf this week because you are really engaged in our online learning, having a go at asking and answering questions and is now making sure you upload all of your excellent work.

2R: Huge well done to Ben for being a consistently active and enthusiastic online learner. Ben has been completing all his online tasks and challenging himself to succeed in achieving his times tables Bronze Badge! Keep up the hard work Ben!

2S: Congratulations Zainab for earning this weeks happy leaf. Your enthusiasm and effort for both your work and live lessons is out of this world. You are challenging yourself everyday and I am super proud of you for so. Keep it up!

Our learning..

Log on to the Google Classroom. Please carefully read any comments on the class stream and click on the classwork tab to access this week's learning. A weekly timetable is also uploaded with the children's learning for each day.

Internet Safety Day is Tuesday 9th February and we have some important learning to do in the morning. We will have a class assembly at 8.30 and then an online safety lesson at 9.45.

In English we will be exploring our phonics reading book and continuing our journey into and under the ocean with the boat 'Oceano.'

As Mathematicians, we will be focusing on our learning on 3D shapes. **Well done to 2R for earning over 14,000 points on Mathletics last week. A very impressive result!**

As Scientists, we will be learning by revising our learning on the effects of climate change on oceans. We had some super fact files last week on the Great Barrier Reef, well done year 2!

In Big Reading, we will continue diving into 'The Magic School Bus: Under the Ocean floor.'

In RSHE, we will continue discussing how we can best use our coping skills.

As Geographers we will complete our learning on four countries of the UK.

P.E and Music will still run on a Tuesday afternoon each week as normal. ATTENDANCE IS COMPULSORY.

Tuesday

Music and P.E lessons are Tuesdays as normal. Please remember to carefully follow your Tuesday timetable for your LIVE sessions and some super energetic recorded sessions! Please wear your PE kit. Follow your class timetable to attend lessons on your usual Google Classroom. **WELL DONE 2H FOR THE BEST PE & MUSIC ATTENDANCE LAST WEEK!**
