

Weekly Newsletter - 12/02/21

Dear Parents,

We have finally come to the end of six very long and difficult weeks. As I have said many times over the past term, I am just amazed at how parents, children and staff have managed to adapt so quickly to the online learning programme. However, I do not for one second take for granted how hard it has been and the challenges that you have faced.

The prospect of facing even more remote learning after the half term break is daunting, but I suspect that we will hear very shortly about the government's plan to reopen schools **from the 8th March**. Once we have more information, we will immediately begin planning for the return to onsite learning for our pupils. Until then, please keep going and encouraging your child to do their very best each day. I am so proud of your efforts so far. Next week is the half term holiday. The lovely staff have set some holiday activities for children to enjoy. Try your very best to rest and recharge, ready for next term.

Best wishes
Ms Von

Well done to each of you!

Worried about having the vaccine?

As the Covid-19 vaccine roll-out gains pace we want to continue to share what this means for everyone in Newham – what we know and what we don't know. If you have concerns or questions about the vaccination, come along to one of our Q&A sessions with Newham NHS, the council's Public Health team and academics from the medical industry. **When:** Every other Wednesday, 7-8 pm on Zoom. If you would like to attend the next session, please email covidhealthchampions@newham.gov.uk and a registration link will be sent to you.

100%

A fantastic well done to **2S** for getting **100%** attendance last week!
