

# Week beginning

22 / 02 / 21

# Reception Newsletter

## This weeks learning...

Welcome back! We hope you had a restful break and ready to continue your online learning. You did so well last half term so keep up the great work!

This half term will look a little different! In the mornings you will be with your new phonics group and phonics teacher. In the afternoons you will be with your usual class and teacher for a carpet session.

The happy leaves went to:  
**RB:** Punnosri for being an eager, independent and punctual learner!  
**RT:** Adrian for great attendance, enthusiasm and making great progress in his writing.  
**RC:** Samuel for using incredible vocabulary to explain his thoughts and ideas.  
**RP:** Niniola for gaining confidence during live lessons and taking an active part.

## STAR moments

Look at what we were up to in school and home last half term:

We explored the snow in the playground and thought about how things melt!

Dragos made a robot using 3D shapes.

Children at school made ice creams to explore 3D cones.

Hana explored round shapes and spheres by printing with different fruits and vegetables.

## Live Lesson Attendance

RB - 64%      RP - 63%  
RC - 81%      RT - 40%  
Your child needs to attend ALL live lessons to get 100% attendance.

## WELL DONE RC!

## Don't forget!

Remember to follow the online classroom rules:  
- **No eating** in online lessons to make sure you are focused  
- **No pyjamas**, make sure your child wears a uniform so they know it's time for learning.  
- Upload work to the Google Drive and complete assessments on Google Classroom.  
If you need help with this please ask your teacher.

## Over to you...Home learning

Try to read a little every day. You can read books from home or log into **Bug Club** for books allocated to your child <https://www.activelearnprimary.co.uk/login?schcode=r-bxylc=0>

Practise some Maths - help to count out objects at home, do some festive cooking or go on a shape hunt at home. Also keep looking on **Mathletics** for activities too. <https://login.mathletics.com/>

Upload a video or a picture of your work into your Google Drive folder: <https://drive.google.com/drive/folders/1SnclbrvVkdZJapWYskVK7Jx5TDDk55UE?usp=sharing>
