

Weekly Newsletter - 26/02/21

Dear Parents,

Welcome back to the second half the the Spring Term. We are really excited to be making arrangements for all children to return to school on the 8th March 2021. I know how hard you and your children have worked over the past months at home.

We are confident that because children had really good access to the fantastic opportunities provided by the online learning offer, we will be able to make good progress over the summer term.

However, we have to make sure that now more than ever, we follow all the same health guidance. We want to ensure that this is the last lockdown for our community and we will be sending you very clear guidance next week to remind you of all the procedures we have in place to keep our Star community safe.

Best wishes
Ms Von

Masks must be worn at all times on school premises. Please use only the info or year group inboxes to contact the school. The helpdesk is open from 8am - 3:15 everyday!

**Remember to

From the **8th March**, all children will be required to attend school unless they are ill or displaying Covid symptoms. Please also ensure that they are on time each day (**Gates close at 8am**) and ready to get back into school routines.
