This week's learning...

We have a very exciting week ahead of us as we welcome all Nursery children back to school.

We will focus on our Personal, Social and Emotional Development. We will re-establish our routines, we will enjoy playing with our friends while take turns and sharing resources. We will talk about our feelings and about what we can do to manage them.

Stars of the week

All children in **Nursery AM** and **Nursery PM** deserve to be **stars of the week** for all the hard work they have put into their online learning.

We also want to praise all **parents** for their patience and effort during the last 8 weeks of online learning. Well done!

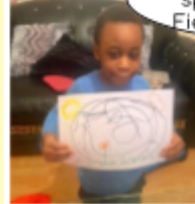

STAR Moments

Look at what we were up to in school and home last week:

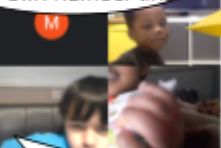

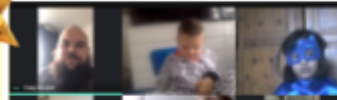

We went on a Scavenger Hunt looking for signs of Spring.

We painted our favourite space using the Colour Field Painting technique.

We practised our counting and created our own number line.

We shared our favourite stories and characters to celebrate World Book Day.
