STAR moments

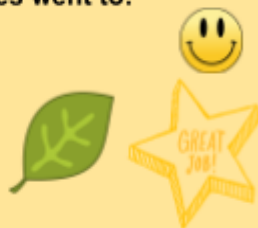

Finally coming to the end of our online learning experience! We want to say a huge thank you to all parents and carers who made this possible and helped the children log in each day and complete work with them!

We want to see 100% attendance from all classes this week! We can do this!

Well done for everyone's amazing efforts with world book day! Your costumes were fantastic and our whole day filled with fun and reading.

Our Happy Leaves went to:

1H - Tommy
1M - Aidan
1P - David
1B - Rafael

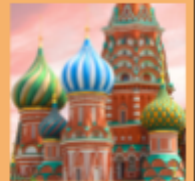

This week...

This week is going to be a chance for all of the children to settle back into school routine and finally see their friends after a very long few months. With this in mind, this week will be a time for us to recap and revisit what we have covered online to ensure all the children are confident before we move on.

While the school was closed we have spent some time giving our outdoor area a makeover, we now have math's stations, role play areas and spaces for play based learning. This week the children will be recapping over how to look after things at school and will get a chance to play in our new outdoor environment.

Our foundation subjects will be going ahead as usual in the afternoons this week. We will be looking further at Russia and how it compares to England. Then, in art we will be using our new paint packs we created for the children to look at primary colours and the colour wheel. Finally, our science topic of Animals Including Humans will be continuing. We will combine what we have looked at in maths by measuring parts of our body and comparing the size of animals and humans.

Don't forget...

- Please return all children's books or paper that they have completed their work on over the last few months by Friday please.
- Reading books will be given out **next Monday** they need to be returned to school **every Friday** to be changed
- P.E is on a Monday all children need to come dressed for PE in joggers and trainers.
- Fit Friday will be carrying on as usual starting this Friday, again children must come to school wearing Fit Friday t-shirts and trainers.
- Bug Club and Mathletics is still mandatory for 5 or 10 minutes daily, on a Friday each class will announce their Bug Club and Mathletics champions.
- Continue to check google classroom as reminders, announcements and homework tasks will still be posted in there as it's a great way for us to keep in contact.

Over to you...Home learning

The teachers will continuously be providing online opportunities for reading, phonics and maths. We are checking who is logging on every week!

Pupils must:

- Log on and use **BUG CLUB** daily
(please also read and share any extra books you have at home)
- Log on and use **MATHLETICS** daily
- Play and complete any additional material/videos sent you via the google classroom. **Phonics session videos** will be sent regularly.
- Extra RWI phonics -
