

Weekly Newsletter - 12/03/21

Dear Parents,

Your children have been so amazing this week! Not only have they settled back into school really well, but we have been so impressed with how very quickly they have responded to new systems in place.

You have obviously been doing an amazing job at home with the online learning because teachers have reported that children's attention and engagement in class has been excellent this week. So well done to you for persevering and making sure that lockdown did not affect your child as much as it could have.

We are really excited to be receiving so many Poems about lockdown life. Please keep working on this whole school project. We hope to give each family their own Poetry Anthology as a keepsake of this period in our lives.

Have a wonderful weekend and keep as safe as possible.

Best wishes
Ms Von

Covid Updates

As you know I have reviewed the morning arrangements for parents in Nursery to Year 3 to facilitate the one way system again. I can only continue to appeal to parents to act considerately to others on the pavement outside the school. The gate remains open for 15 minutes so there is no need to gather together to be the first in. The school is doing whatever we can, but parents need to play their own part in socially distancing and using Star Park as a waiting area before moving to the gates when it is safe to do so and maintain social distancing.

Rights Postcard

This half term our 'Rights Postcard' is all about happiness and leading a happy centered life. Please fill out the postcard detailing how your child has demonstrated happiness this half term.

Dates for the Diary

02/04/21 - 16/04/21

School closed for the Easter Break

19/04/21

Start of the Summer Term
