

Week beginning

15/03/2021

Year 4 Newsletter

STAR moments

What a great week we have had. It has been fantastic to see all your lovely children return to the classroom. With a mixture of lessons and wellbeing activities the children have settled back into school very well.

We have really enjoyed our art activities this week where the children are beginning to produce some lovely Pop Art inspired by the artist Andy Warhol.

Our happy leaf recipients for achievement and success are:

4D: Ahyan

4R: Braydon

4L: Jack

This week's learning:

World Poetry Day will be on Friday this week. The children will be spending the week learning about poetry in English and on Friday creating their own poems based on their experiences of lockdown. We look forward to sharing these with you.

We will continue with our work on fractions this week and continuing using the online Mathletics and Times Tables RockStars. This week we are very lucky to have an online visitor for our R.E. lesson. The children will participate in workshops and activities all about Easter. These will include a dance workshop looking at how Christians celebrate Easter through dance, looking around an online church and a storytelling session. In Geography the children are enjoying exploring Kenya and learning about how this beautiful country is similar or different to the United Kingdom.

P.E. and music continue on Tuesday and we have been hearing from Mrs Marshall about how well the children are performing body percussion.

During our Fit Friday session the children have begun to learn about cross country running and learning techniques how to build stamina to run for a longer period of time.

Don't forget!

The children will continue to participate in P.E. and music on Tuesday mornings and all children will be expected to attend school in their P.E. kit which they will wear for the whole day. Fit Friday will also continue and again children are expected in school wearing their Fit Friday t - shirts.

Over to you...Home learning

The children have already begun to work on their independent project which they can continue to complete at home. All finished projects need to be handed in by Friday 26th March ready for our class sharing assembly and prize giving. Please remember to carry on with Mathletics, Times Tables RockStars and Bug Club and to work on spellings that are sent home each week.

Keep in touch!
