## This week's learning...

Our focus of the week is poetry and portraits. We will be encouraging the children to look at their own faces and use a variety of mark making and materials to create their own self portrait.

We will also be looking at many different poems and singing our favourite rhymes. Children will be challenged to perform their favourite rhymes to their peers on the carpet sessions.

## Stars of the week

Well done to our stars of the week last week. These children have shown fantastic behaviour and worked hard throughout the week.
